## Directions sketch:

### All technical data

in this catalogue correspond to the date of printing and have been found accurate to the best of our knowledge. Nevertheless mistakes and printing errors are out of our obligation. Statements are for more precise descriptions of the models, but not assured features according to German § 459 BGB, if they are not especially called as such.

### Changes

Technical improvements or adaptations to modified standards are reserved.

### Photos

in this catalogue are design examples, but not binding upon the supplied design.

### Warranty

For all our power supplies we provide a 2 years warranty, according to our General Conditions of Delivery.

### Delivery conditions

according to our General Conditions of Delivery and Payment, see price list.
